

## Birthing Kit Project

### Report to the Zonta District 4 Board on activity in the US clubs January 2011

I created a survey and asked the Area Directors to send to their area Presidents in order to gather information that will be shared with all US clubs. This includes their activities to date, suppliers and distributors, lessons learned and interest in partnering. Listed is information I've received to date about recent or planned assemblies:

<b>AREA 3</b>	
Lockport, NY	
Niagra Falls, NY	
Tonawanda, NY	They partnered with the Kenmore Club to assemble 1,000 kits in March of 2010 with 500 going to Haiti and 500 going to Tanzania. They have another 1,000 kit assembly planned for 3/26/2011.
Kenmore, NY	See above
Grand Island, NY	
<b>Area 4</b>	
Buffalo, NY	They did their first assembly of 100 kits in April 2010 which were distributed to Africa. Their distributor recently gave a presentation about how well the kits were received.
Rochester, NY	
Geneva, NY	
Batavia-Genesee County, NY	Although no assemblies are currently planned, they are interested in sharing their assembly knowledge with other clubs
Amherst, NY	
Hamburg-Orchard Park, NY	They have a joint assembly planned with Cheektowaga-Lancaster and Aurora for 2/12/2011 and plan to assemble 1,000 kits for Africa.
Cheektowaga-Lancaster, NY	See above
Aurora, NY	See above
<b>AREA 5</b>	
Jamestown, NY	They have done several assemblies and have distributed to Honduras and South Africa. Jamestown has been helping three other clubs to date in starting a program.
Warren, PA.	They have visited the Jamestown Club for assistance in planning an assembly. Their first assembly is scheduled for 1/20/2011
Olean, NY	
Bradford, PA	They are planning their first assembly at the end of January and plan to distribute them to the Dominican Republic in June. The Jamestown Club was very helpful in sharing information about their own assemblies.
Corry, PA	They have begun planning their program and have visited the Jamestown Club for information on a successful assembly.
Erie, PA	They did their first assembly of 800 kits in November 2010 which were combined with the Pittsburgh Club's kits for distribution to Africa.
<b>Area 6</b>	
Oil City-Franklin, PA	Lee Fogarty attended their November meeting to provide information about planning a kit assembly.
Meadville, PA	
Pittsburgh, PA	They partnered with ALCOA to do an assembly in November 2010. They finished 500 kits and plan to do 500 more before distributing next month.
Three Rivers-Pittsburgh North, PA.	
Washington County, PA	They have just formed their committee & plan an assembly in May.
