

## COMMITTEE CHAIR REPORT TO BOARD

DATE: October 23, 2015

COMMITTEE:

Membership

### HIGHLIGHTS:

We have 38 clubs in District 4 32 of the clubs have two year presidents and 6 have one year presidents. Not all have the changeover on the biennium dates.

Clubs are actively recruiting and installations ceremonies are being planned. Owen Sound 5 new members, Toronto 3 new members that I know of. I would like to hear from Area Directors when they go to clubs to do new member installations.

We have on the books for ZI 844 members. Note that there could already be more members then listed with new installations.

### SOM up date from Barbara Fera

Stilling looking for 1 member for Barrie. Barbara is very confident that the club will be ready to go ahead early in the New Year. She is waiting for a date in November to go for the next information session.

London has now 6 potential members and are trying to get a date for the next information session.

She is hoping that both clubs will be ready to go soon.

### CHALLENGES:

I am currently waiting for the approval and the information to go out with the new Power Point and video from the North American Task Force. It seems to be taking a long time to coordinate with all the ZI departments.

Respectfully submitted:

Lori Robinson, Lt. Governor Membership Chair
