District 4 Foundation Ambassadors Goals for 2018-2020

- 1) Encourage all clubs to donate to Zonta International. We are striving for 100% up from 92%.
- 2) Increase individual donations from 26.7% of the membership to 35% of the district members. For the Centennial we are challenging every member to donate \$100.00 for the biennium for the 100 years. We are also challenging the members to make monthly contributions to ZIF either by direct withdrawal or by credit card payments. We would like to increase from 3 to 25 District 4 members.
- 3) Educate the members of District 4 through workshops, district communications, Area Directors and Club visits. We will have 18 touch points for the biennium.
