## Invitation from D4 Governor

### Bonnie Clesse

“Why?” - attend the D4 Zonta Conference?

Where else would you go to get better informed about Zonta; give your opinions; learn lessons to enhance your professional & personal life; connect with friends - new & old; have fun & return to your club with even more enthusiasm to share the conference news & serve District 4? What else would you do that would offer you more rewards, happy memories & growth as a person?

A weekend well worth the investment of your time has ZI news, business sessions, workshops, informative presentations, the election of our D4 Centennial honorees, learn from present officers & chairs, & the election of new officers to guide us through the next biennium.

All of this is in the warm camaraderie of being with people who share your passion for Zonta & fun with friends. There's work to engage your brain & play to warm your heart.

Why come to conference? Because **you**, & only **you** can contribute **your** input & take away **your** new information & growth. It's **your** chance to help make D4 even better. We need **you**. See **you** in September!
