

## Area 5 Report 2018-2019

Diane Balaban, Area 5 Director

Area 5 has 6 clubs. The New York clubs are Olean and Jamestown. The Pennsylvania clubs are Bradford, Corry, Erie and Warren. Each club has had a fantastic year. A few highlights (just to name a few):

Jamestown hosted the Spring workshop and it was very successful with 65 Zontians attending.

Warren celebrated their 90th birthday and Bradford celebrated their 65th. Both hosted wonderful events to mark the occasion.

Corry had a Just Say No banner hung in their community for 3 weeks.

Erie hosted a wonderful Amelia Earhart dinner and scholarship awards presentation.

Olean hosted Assemblyman Joseph Giglio who talked to them about violence to women.

All clubs held centennial events throughout the year and had many fundraisers. Scholarships were given to high school students and many organizations benefited from monies raised to help their particular causes.

The clubs in Area 5 are very active and keep Zonta's mission at the forefront of all they do.

Respectfully submitted,
