

Report Advocacy District 4 11/09/2019

USA Caucus rep Lee Fogarty

Presented with the rest of the advocacy committee in the district and UN on USA Caucus. UN, whatis advocacy, and a workshop on advocacy projects in the district, CSW, CEDAW

Recommendation: the district picks an issue, such as SDGs and each club working alone or with other clubs or groups divides project.

Working with USA Caucus re ERA in Virginia – Virginia Dems won so it should be easier to pass it there, and then change the language re deadlines

At the Rochester CEDAW workshop, I presented on how Pittsburgh had passed an ordinance, where we are now, and answered questions

Pittsburgh club received congratulations since our Gender Equity Commission just did a gender analysis

Respectfully submitted,

Lee Fogarty
