Purpose of the report (please mark as many as applicable): Initiative	Specific Actions	Highlights/Challenges
Fellowship/Social	Summer Garden Party	Held in July we held a garden party/fundraiser and celebrated Zonta's 100 <sup>th</sup> with a cake. Zontians from other clubs in the area attended and we raised \$720 towards our annual 41,500 Zontrapreneur Scholarship given to a female business grad from Sheridan College Hazel McCallion campus in Mississauga
Centennial Flag	Photo at Zonta Meadows Park	Photo session with Mayor Bonnie Crombie and local Councilor John Kovacs at Zonta Meadows Park which includes an accessible playground. We had a chance to chat about use of the park going forward and intend to engage with the city and nearby condominium builders/owners to enhance the park further
Fundraising	Car Rally	For the second year, we joined with the Zonta Club of Toronto in their annual car rally. Each club raises money for their own projects. We raised about \$700.
Fundraising Planning	Charity Bingo	We have taken steps to restart Charity Bingo fundraising. We expect that this will give a significant boost to fundraising and subsequent increase in getting members to delivery more service as noted in our Strategic plan
