#### **Do you think your club plans or carries out enough service projects?**

10/46 felt there was not enough service projects

#### **What assistance would you like the D4 Service Committee to offer to members and/or clubs?**

Projects with low cost & good for small communities.

Hands-on projects

Ideas for projects

Communication/webinars/sharing about club projects

Training on specific volunteering

**Note:** this is interesting because Service has repeatedly asked for club projects and descriptions. Hard to share if no information is forthcoming.

#### **Do you have an idea(s) for a District Service Project(s)? If so, please briefly describe it and include your name at the end of the survey so we may follow-up with you about your idea.**

Food banks, coat drive, Free The Girls, Women Build-Habitat for Humanity, Veterans services, PTSD, Rape victims, COVID related ideas - masks & supporting frontline workers

31/46 had no response or could not think of something

#### **What else would you like us to know? Additional comments welcome.**

How to get younger members

“Don’t reinvent the wheel” - share ideas

Birthing kits - ramp up, promote, share expenses & bulk purchases

Easier to fundraise than schedule service projects for busy members

Recognize individual constraints club face

Clubs need to review and revise what they do, how they do it, whether to do it because of limited members, cost, available resources.
