Initiative	Specific Actions	Highlights/Challenges
City of Brampton Forum on the effect the COVID pandemic on local women	ZOOM call which was a joint presentation of the Mayor and Zonta BC	We had multiple service agencies and stakeholders on the call in which Zonta led a fantastic discussion outlining how organizations see the pandemic affecting specifically women and women's issues. It was an informative and lively discussion. Plan to host another in the coming weeks. It also helped our community identify who has needs and who has supports available
Maintaining "normalcy" and keeping out club moving forward	We have been holding our regular club and board meeting with great participation	It is always a challenge to switch up how things are done when they seem to be going so well. We have successfully transitioned all of our mtgs to online ZOOM mtgs with all club participation.
Community safe house	Financial donation to furnish the activity/craft room	Our club was able to approve financial support the Bonnie McPhee safe house in partnership with the Elizabeth Fry society. We had hoped to have a small preview prior to official opening however COVID did not allow for that and they no longer allow non staff or residents in.
